

Directions for Mental Health In-Home On-Site (IHOS) Counseling Services

You May Be Eligible for IHOS Counseling if:

- You are feeling down, nervous, overwhelmed or stressed
- You are a Florida resident
- You are considered “low income”
- You have a child or are pregnant
- You are willing to work

We come to you!

Our Access Specialists can determine your eligibility to have these services paid for through TANF funding when you call.

**To find out more or schedule an appointment,
call (727) 524-4464, ext. 1216 or (727) 547-4566, ext. 4414**

Our Experienced Counselors Come to You

Directions for Mental Health’s In-Home On-Site Counseling Program offers care within your home or an approved community site. Our experienced counselors provide care specific to your individual needs.

We Offer Access to Many Resources

In addition to In-Home On-Site Counseling, Directions offers case management, psychiatric services, early childhood training, services for individuals experiencing homelessness, and more.
